PRODUCT DESCRIPTION

ERC 6 Speed Bill Counter with 2 Year Warranty Currency Counter 30 MG UV The Model 30 MG UV advanced Currency Counter counts pre sorted currency and some types of tickets, coupons and labels. The ERC 30 MG UV is our best value in a high speed extremely accurate currency counter with counterfeit detection. This unit will count at multiple speeds and can be set for batching deposits. The Model 30 Currency Counter is intended for business and financial institutions counting 750,000 bills per day or less. The model 30 uses magnetic and ultra violet detection to find suspicious or fake currency bills. Eight sensivity levels for UV and MG detection for detecting counterfeit money. The Model 30 Currency Counter has six counting speeds of 500, 600, 700, 1000, 1200 and 1500 bills per minute. When using the ERC Model 30 Money Counter as a coupon counter, label counter or to count old and worn bills, slower speeds can be more accurate. The LED enhanced operation panel includes a three digit batch read out, a four digit count display and an auto sensing power supply for use any place in the world. The Model 30 includes a two year parts labor warranty.
