PRODUCT DESCRIPTION

Ribao BC 100 Digital Money Counter The Ribao BC 100 Currency Counter designed for individuals and small business use is equipped with a micro computerized mechanism that allows for accurate and high speed counting and batching functions. The BC 100 Currency Counter is specifically designed for counting bank notes sorted by denomination. Some tickets, coupons and labels may also be counted to reduce the time and losses due to human error. The BC 100 Currency Counter counts up to 1200 items per minute as they enter the machine via its accurate roller friction feed system. An added feature of this money counting machine is a modern electronic control system capable of counting, count adding and count continuation. The Ribao BC 100 Currency Counter easily creates batches for bundling or storage. The chassis has a retractable handle and can be easily moved around the office or to remote locations.
