PRODUCT DESCRIPTION

The Billcon CSS 65 is a electric coin sorter and counting machine that is easy to operate and maintain. It sorts 450 coins a minute and incorporates advanced features such as a push button function for quick access to selected and gross coin totals. Light weight and portable so you can bring it where ever you need it. Memory keeps track of subtotals and final grand totals of each transaction. Easy to obtain totals of each denomination by selection switches. Employs photo sensors for highly accurate, rapid counting. JAM sensor to eliminate troubles. Optional printer is available.
