PRODUCT DESCRIPTION

Billcon D 551 Heavy Duty Mixed Bill Counter, Currency Discriminator, Money Value Counter, and Mixed Bill Sorter The Billcon D 551 Bill Counter is a Heavy Duty Mixed Currency Counter, Currency Discriminator, Money Value Counter and Mixed Bill Sorter featuring a new technology capable of processing up to 1200 Mixed banknotes per minute. Pre sorting is not required. The D 551 Bill Counter has four modes for counting or batching. One button operation displays count in dollar amounts for each bill type. The Billcon D 551 Mixed Bill Counter has a large hopper with a 300 note capacity to load large quantities of bills into the machine and also has a 100 note pocket to hold bills of mixed denominations and a 200 note stacker to keep the bill count continuously moving. The Billcon D 551 Bill Counter identifies and counts specific bill denominations or mixed denominations depending on the operator selected mode, detects for similar bills and feeds the matching bills to one location. Suspicious and counterfeit notes are detected via magnetic counterfeit detection sensors and a message is displayed on the large, clear LCD display. The display shows all counting and batching data. The entire system is controlled via an easy to use menu driven operator control panel . [CLICK HERE](#) to view Accessory Printer for Money Counter Billcon D 551
