PRODUCT DESCRIPTION

Hedman Co. U.S. 3 Speed Currency Counter HC 329 The Hedman HC 329 Currency Counter is a high volume bill counter with three speeds for slow, medium, and fast batch counting. The slow speed counts 923 banknotes per minute; medium counts 1200 banknotes per minute; and fast counts 1500 banknotes per minute. The Hedman HC 329 Currency Counter is equipped with a larger hopper capacity to load more US bills. The digital display comes with easy to read electronic, operator variable pre settings. The machine stops and sounds an alarm and displays a flashing message for double, short, chain and half note. Batching denominations of money is simple; just enter the amounts into the 10 digit numeric keypad and the machine will automatically stop when the selected preset count is reached. FEATURES Patented dual fan built in dust removal system. Operator variable presetting from 1 to 999. Simple batching setting with 10 digit numeric keypad. Easily selectable preset batches 100, 50, 25, 20, 10 notes Enhanced self diagnostics. Stops and sounds alarm to signal suspected double, short, chain, half note in direction of feed. Optional magnetic or dual UV magnetic. Quality construction Solid 15 gauge steel internal frame. Precision machined roller shafts. Sealed self lubricating bearings. Long life urethane feed rollers. Easy to clean high impact case Display panel Large, easy to read. Membrane control panel with tactile feedback. Stops automatically when selected preset count is reached. Stops and flashes message when encountering suspected, half or short notes in either direction. SPECIFICATIONS Height 11 1 8 Width 8 Depth8 1 2 Weight12 lbs.
