PRODUCT DESCRIPTION

Ribao BC 2000 Bank Quality Money Counting Machine The Ribao BC 2000 advanced currency counter counts pre sorted currency at multiple speeds and creates batches for deposit or counted sets. The Ribao BC 2000 money counter is intended for business and financial institutions counting at least 550,000 bills per day. The Ribao BC 2000 Currency Counter has three 3 counting speeds of 700, 1000, 1500 bills per minute. When using this machine as a coupon counter, label counter or to count old and worn bills, slower speeds can be more accurate. The LED enhanced operation panel includes a three digit batch read out and a four digit count display. The Ribao BC 2000 money counter includes a one year parts labor warranty and works with both 110 and 240 voltages with no switching required.
