PRODUCT DESCRIPTION

Powerful software features and elegant design are the cornerstone of the user friendly CR 2000 series Cash Registers. Featuring a freely programmable 8 x 13 keyboard matrix of 104 keys, dynamically incorporated Price Lookups, department definition and built in training mode, the CR 2000 is ideal for any retail environment. This unit is also programmable via your computer with its builtin PC program OptiCash. Operator display is alphanumeric, liquid crystal, with 2 lines for 16 digits. Vacuum fluorescent display is on the customer side, with 7 segments, and 11 digits. The Quorion CR 2000 Cash Register is equipped with a dot matrix printer for duplicate receipt with an on off mode, printing at 3 lines per second. Interface and memory expansion, along with fiscal memory optional.
