PRODUCT DESCRIPTION

The Lynde Ordway 380 electric coin counter is a versatile machine with the ability to count, wrap and bag coins and tokens. The Lynde Ordway 380 electric coin counter features selectable gauge settings to adjust for the thickness level and diameter of various coins. The lock stop allows for easy access to wrap all tokens and coins. The quick interchangeable wrapping tubes and bagging attachments collect coins for storage or further processing. Its has the capability to count and sort up to 1700 coins per minute. The heavy duty, all metal construction and full 2 year manufacturer s warranty allow for years of continuous service with little end user maintenance.
