PRODUCT DESCRIPTION

The Lynde Ordway 380 1 electric coin counter assures unsurpassed accuracy with its high speed counting system. The Lynde Ordway 380 1 electric coin counter quickly counts, wraps and bags coins and tokens at a rate of 2600 coins per minute. It features selectable gauge settings to adjust for the thickness level and diameter of various coins. The lock stop allows for easy access to wrap all tokens and coins. The quick interchangeable wrapping tubes and bagging attachments collect coins for storage or further processing. The heavy duty, all metal construction and full 2 year manufacturer s warranty allow for years of continuous service with little end user maintenance.
