PRODUCT DESCRIPTION

CoinMate BC 100 Digital Money Counter BC 100 The CoinMate BC 100 One Speed Digital Currency Counter is designed for individuals and small business use and is equipped with a micro computerized mechanism that allows for accurate and high speed counting and batching functions. The CoinMate BC 100 Currency Counter is specifically designed for counting bank notes sorted by denomination. Some tickets, coupons and labels may also be counted to reduce the time and losses due to human error. The CoinMate BC 100 Currency Counter counts up to 1200 items per minute as they enter the machine via its accurate roller friction feed system. An added feature of this money counting machine is a modern electronic control system capable of counting, count adding and count continuation. The CoinMate BC 100 Currency Counter easily creates batches for bundling or storage. The chassis has a retractable handle and can be easily moved around the office or to remote locations.
