PRODUCT DESCRIPTION

The Adler Royal Alpha 850ML Cash Register features 200 departments for sales analysis by category of merchandise. Each department can be programmed with a name or description of up to 12 characters. With 2000 price look ups, any product can be quickly tracked and entered. Its alphanumeric printer provides both journal and receipt printouts using 2 ply paper. The alpha keyboard cuts programming time in half by labeling department keys with letters. The store logo message and separate commercial message can each program 5 lines of 42 characters. The automatic tax computation can program up to 4 tax rates. The locking cash drawer has 5 slot bill and 5 coin trays ensuring your profits are safely sorted and secured. The Adler Royal Alpha 850 Cash Register can also accept up to 40 clerk identifications with up to 24 characters per name.
